This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. There Are Good Points

in most pianos. No doubt about that. Pianos are like people. Some folks are pleasant company for a short time—bright, brilliant—unreliable—shallow. Others improve on acquaintance.

Judge men and pianos by their weakest point, not their strongest. "A chain is as strong as its weakest link."

The EMERSON PIANO

will stand the severest tests—the closest scrutiny. Judge it by its weak points, if you can find any. If there is an imperfection in it be very sure the makers don't know it. Come any time—bring your mental microscope.

THE BOSTON

Saturday Evening Gazette.

THE SOCIETY PAPER OF BOSTON.

THE BOSTON SATURDAY EVENING GAZETTE is peculiarly a Boston paper, and has been for over three-quarters of a century the leading family weekly journal of the city. Its circulation is among the most intelligent and influential class of readers. In the discussion of topics relating to

Literature, Politics, Art, Music, and the Drama, Society, and the General Affairs of the Day,

it employs the best writers, and among these are gentlemen and ladies who are recognized as the first authorities in the specialties of which they treat

An important feature is the publication of the sermons of the Rev C G Ames of the Church of the Disciples, which are printed each week during nine months of the year. They are broad and liberal in spirit and wholly in sympathy with all that is best in modern progress, intellectual and social.

The GAZETTE is a special favorite with the ladies Its **"Out and About"** columns contain a larger amount of matter of interest to this class than can be found in any weekly journal in the country, and have given it a reputation in Society Circles everywhere. Its other specialties are scarcely less popular with its readers. As a hotel paper, the GAZETTE stands second to none in extent and thoroughness of information. It is taken in clubs throughout the United States. In fact, as a **Society, Hotel** and **Club Paper,** it is without a rival.

As an advertising medium the advantages of the GAZETTE are obvious, and are widely appreciated. No journal has a more select and desirable advertising patronage: and by the Book Trade, the Hotels of the Country, the Dry Goods Trade, and in specialties in which the patronage of ladies is solicited, it is most of all sought.

"One of the brightest and most enterprising papers in New England."—HARPER'S WEEKLY

"THE BOSTON SATURDAY EVENING GAZETTE continues to be conducted with diligent enterprise, and to maintain its claims to the regard of its numerous friends by the diversity and ability manifested in its well-filled columns from week to week."—BOSTON TRANSCRIPT.

"THE BOSTON SATURDAY EVENING GAZETTE, which has seen the rise and fall of at least a score of newspapers in Boston, keeps on the even tenor of its way without a skip or a break. Its appearance is not suggestive of age, but of perpetual youth, and it holds its peculiar field without a rival."—BOSTON HERALD.

Card Etiquette.

The Signification of Corners turned on Visiting Cards.

UPPER RIGHT CORNER—*Visit.*
UPPER LEFT CORNER—*Congratulations.*
LOWER RIGHT CORNER—*Adieu.*
LOWER LEFT CORNER—*Condolence.*
TURNING THE ENTIRE LEFT END—*A Call on the Family.*
R. S. V. P. (Répondez, s'il vous plait.)—*Please answer.*
P. P. C. (Pour prendre congé.)—*To take leave.*

Some still prefer this old custom of turning corners on Visiting Cards, though leaving a card for each person is considered in better taste.

To send a card without calling signifies inability to call in person.

Acceptances or regrets should be sent as soon as possible after receiving invitations.

"Party Calls" should be made within one week after date of the party.

Invitations in your own city can be sent either by mail or messenger, as preferred.

Letters or notes of invitation delivered by hand in the city are often marked E. V.—En Ville.

The custom is, for a lady about to be married, to enclose her card in an unsealed envelope, which the servant should deliver, the lady not leaving the carriage.

On gentlemen's visiting cards, "Mr." should be prefixed to the name.

Any lady wishing to inform her friends of the presence of a lady visiting her family, should enclose her visitor's card with her own, in the same envelope.

An invitation to dine should be answered on the day received.

It is always courteous to acknowledge the receipt of an At Home card.

A visiting card should always be left when attending an "At Home."

An invitation requesting your presence requires an answer.

WEDDING ANNIVERSARIES.

WOODEN—Five years married.
TIN—Ten years married.
CRYSTAL—Fifteen years married.
LINEN—Twenty years married.
SILVER—Twenty-five years married
GOLDEN—Fifty years married.
DIAMOMD—Seventy-five years married.

Wedding Envelopes Directed. Wedding Invitations Delivered. Wedding Stationery, in new and elegant designs, at reasonable prices.

Ladies will find a desk and writing materials always ready for their use.

SECURITY SAFE DEPOSIT COMPANY,

EQUITABLE BUILDING, BOSTON.

New Vaults, Coupon Rooms, Reading and Toilet Rooms all on the street level.

This company has, in order to afford greater security to its boxholders, demolished their old vault and substituted a new vault more than twice as large as the old one, situated on a level with the street, combining in its construction every improvement which modern science and inventive genius have been able to devise for the protection of treasure.

Extensive coupon rooms, a reading room and toilet rooms are also on the street level. A luxuriously furnished department has been prepared for the use of ladies who rent safe deposit boxes.

ROBERT G. FITCH,
GEO. H. INNIS, } *Fire Commissioners.*

BROWN S. FLANDERS,
June 1, 1894. *Inspector of Wires.*

BOSTON FIRE-ALARM TELEGRAPH.

SPECIAL NOTICE.

The fact that an alarm box is located near their residence and where the key is kept should be known to all persons; also the simple manner of giving an alarm in case of fire. The Board of Fire Commissioners recommend to all persons who may see this notice that they make the necessary inquiries to enable them, in case of need, either to get the key and give an alarm or to direct others to do so. *Time* saved in this way may sometimes prevent a conflagration.

In case of fire follow these

DIRECTIONS.

Go to the nearest box to the fire.

A sign over each box gives location of keys.

Open the box—pull the hook all the way down *once* and let go.

Wait *one full minute* for the sound of the bells.

Listen for the working of the machinery in box. If you do not hear it pull again.

If then you hear no sound, go to the next nearest box. Repeat the same there; but do not touch any other box if the nearest one gives the alarm. If it be a keyless door, turn handle to right and open door; *when open*, pull hook as in other boxes.

After giving the alarm remain a while, if possible, by the box, so as to direct the firemen to the fire.

SECOND ALARMS.—No persons will give alarms for the same fire (after the first alarm has been given) *without an order from an Engineer*, or the officer in command, and the person so ordered will be *sure* to go to the *same box* from which the *first* alarm was given, and report same to the Chief Engineer. *If, however*, a fire breaks out while

another is burning, in a different section of the city, a *second* alarm can be given by a Police Officer without waiting for an order from an Engineer.

INSTRUCTIONS TO PERSONS HOLDING BOX KEYS.

1. Never open the box or touch the hook except in case of fire.
2. Never give an alarm for a fire seen at a distance.
3. Be *reasonably* sure there is a fire before giving an alarm.
4. Be sure your box is locked before leaving it.
5. Never let the key go out of your possession, except to some responsible person, to give an alarm of fire, and be sure the key is returned.
6. *If you remove from your house or place of business return the key to the Fire Commissioners' Office without delay.*

U. S. WEATHER BUREAU.

EXPLANATION OF CAUTIONARY AND STORM SIGNALS.

A RED FLAG with a WHITE CENTRE, displayed at stations on the Great Lakes, indicates that the winds expected will not be so severe but well-founded sea-worthy vessels can meet them without danger.

A RED FLAG with a BLACK CENTRE either on the Lakes or seaboard indicates that the storm is expected to be severe.

The pennants displayed with the flags indicate the direction of the wind; red, easterly winds (from northeast to south) white, westerly (from southwest to north). The pennant above the flag indicates that the wind is expected to blow from northerly quadrants; below, from southerly quadrants.

The Information Signals consist of a RED PENNANT similar to the direction pennants, and when displayed alone indicates that the local observer has information from the central office of a storm covering a limited area, dangerous only to vessels about to sail for certain points. This signal is intended to be a notification to shipping masters that valuable information will be given them on application to the local observer.

By night a red light will indicate easterly winds and a white light above a red light will indicate westerly winds.

The system of weather, temperature and rain signals displayed throughout the country is distinct from the cautionary and storm signals, the latter being principally for the information of the maritime interests, and are displayed at the principal ports of the Great Lakes, and on the Atlantic, Pacific and Gulf coasts.
